Description:

Job search could be a long and stressful process and a job interview is one of the most drawn-out and intimidating ways of making first impression. The way you behave in your first interview will be highly important in getting your desired job. However, it's also your opportunity to get on an employer's good side, which can give you a distinct edge over even those applicants whose credentials are better than yours. In this special event, experienced recruiters and industry elites will share with their valuable advice and experience to help you succeed in your job search and interview and start your career in biopharmaceutical industry.

Registration fee:

On-line CBA/CABS member - \$5, non-member - \$10
On-site CBA/CABS member - \$10, non-member - \$15
On-line registration will be closed by May 25th, 2014 (it will close sooner if the seating cap is reached)
