From Disruptive Innovations to Real-World Applications

Agenda

8:00-8:30	Registration, Breakfast and Exhibition
8:30-8:40	Welcome Remarks
8:40-9:20	Morning Keynote - Brain Tech: The Example of Epilepsy
9:20-10:25	Innovative Drug Discoveries and Breakthroughs
10:25-10:50	Break and Exhibition
10:50-11:55	Bench to Bedside
11:55-1:00	CBA Scholarship Presentation, Lunch, Network and Exhibition
1:00-1:45	Afternoon Keynote - Do Opposites (Finally) Attract? How Tech is transforming Life Sciences
1:45-3:15	AI and Innovative Diagnostic Tools and Technologies to Advancing Healthcare
3:15-3:30	Break and Exhibition
3:30-4:30	Trends in Bio-Pharma Drug Development – Global Regulatory Considerations
4:30-5:25	Biotech Investment, Deal Transaction and Entrepreneurship Panel
5:25-7:00	Closing Remarks. Networking

CBA Workshop Series III

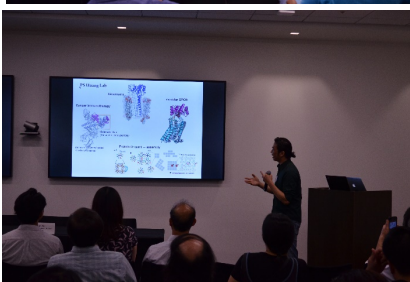

Artificial Intelligence Accelerating Bioscience

Date: July 20, 2019 (Saturday, 1:30 to 5:00 PM)

Venue: Jones Day Silicon Valley Office, 1755 Embarcadero Road, Palo Alto, CA, 94303

Organizers: CBA and Monte Jade West

This year, CBA collaborated with Monte Jade West to host a workshop titled “Artificial Intelligence Accelerating Bioscience”. At this workshop, we brought together experts in the emerging discipline of AI and machine learning for in-depth discussions on the fast-developing novel technologies that characterize adoption in the life sciences arena and its impact on patients, clinicians, and systems. The speakers consisted of academia, industry, investment, and legal executives that focused on IP and legal requirements, and how the role of technology and data can be leveraged to enhance knowledge for drug discovery and care delivery, thus improving the lives of patients. Dr. Samuel Chen, CEO of AiXMed talked about AI trends in healthcare; Dr. Andrew M. Radin, Co-Founder of TwoXAR talked about AI in medicine, such as diagnostics and drug discovery; Dr. Possu Huang, Assistant Professor of Bioengineering, Stanford University presented his pioneer work on Computational design of de novo proteins; Dr. Sue Xu, Managing Partner at Amino Capital talked about AI in Healthcare from a perspective of an investor – How to Cut Through the Hype and Stephanie M. Brooker, Associate Attorney at Jones Day talked about the Potential IP Protection Strategies of AI in biotech.

CBA Summer Picnic

Date: August 24, 2019 (Saturday, 11:00 AM to 2:00 PM)

Venue: Mitchell Park, Palo Alto

Organizer: CBA

Our signature CBA Annual Summer Picnic took place on August 24 at Mitchell Park in Palo Alto. The event provided a networking platform for new and old friends interested in the life sciences and biotechnology industries. Over 85 people joined us at the summer picnic where attendees had the opportunity to know more about CBA, meet old friends, make new friends and enjoy a variety of great foods prepared by CBA members and volunteers.

Upcoming Event

CBA Workshop Series IV: Medical Devices

Date: November, 2019

Venue: TBD

Organizer: CBA
